

## Environmental Policy

Waste Mission, a trading name of Alchemy Metals Ltd, is a private family-owned independent company, who specialise in waste management. We also provide scrap metal services.

We recognise that our activities have an impact on the environment, and we accept responsibility for the harmful effects our operations may have on both the local and global environment. We are committed to reducing them as far as is reasonably practicable by setting objectives and targets which are linked with our Environmental Management System Registers that look at our impacts on the environment.

*Waste Mission is committed to:*

- Continual improvement in its environmental performance.
- Preventing pollution.
- Compliance with all environmental legislation, regulations, and codes of practice relevant to the Company.
- Maintenance of the accreditation to the ISO 14001 standard.

*It is the policy of Waste Mission to:*

- Actively promote the use of recycled materials.
- Keep the site clean and tidy to ensure minimum disturbance to clients and neighbors.
- Provide a fully auditable replacement of landfill for the disposal of metals, electrical, electronic, and other equipment and materials managed by the company by way of re-use and recycling.
- Minimise toxic emissions.
- Establish systems for the prevention of pollution at the site.
- Follow emergency plans and instructions in areas where spills of undesirable substances can occur.
- Meet its duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste.
- Co-operate with suppliers, customers, and business partners to achieve higher environmental standards.
- Making use of natural resources by minimizing waste of water and reducing emissions where possible.

The Company will communicate this policy to all our employees and ensure that they are given appropriate training to raise awareness of environmental issues. The Company will review this policy on an annual basis considering any changes within legislation, our organisation and other factors.

Waste Mission will make this policy available when requested to interested parties, including members of the public.
